

# LETTURA

design Gianfranco Marabese 2015/2017

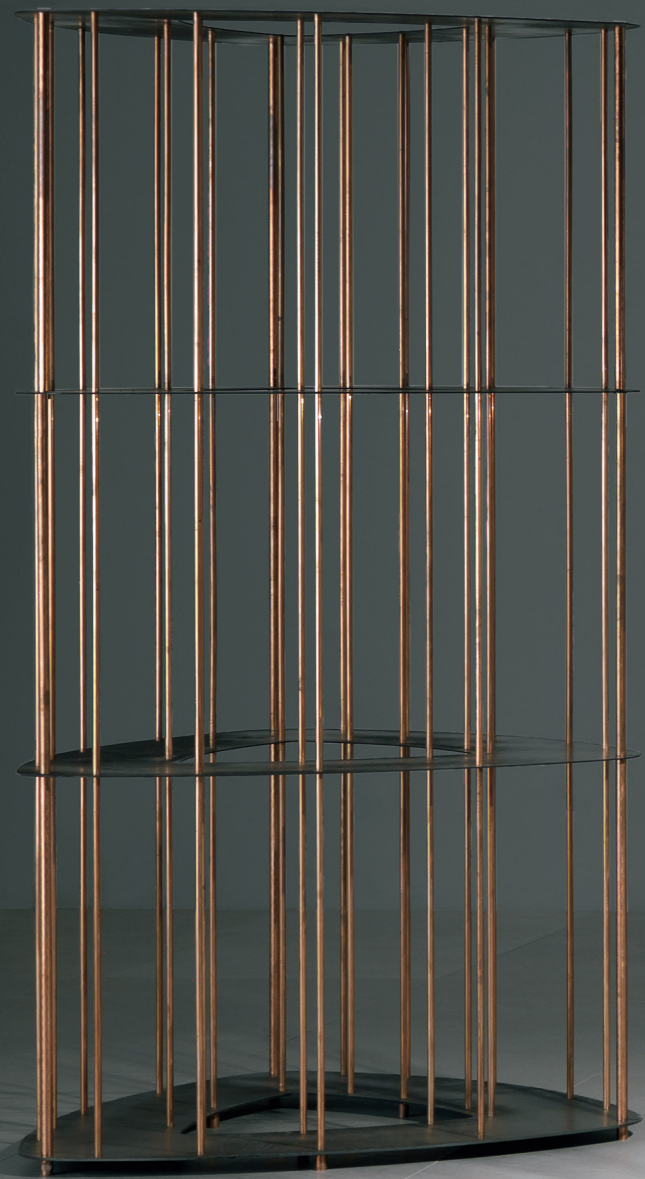

Collezione che affronta il tema della 'lettura' in modo inedito e funzionale. una sottile ma robusta struttura in metallo, accessibile a 360°, realizza originali librerie luminose.

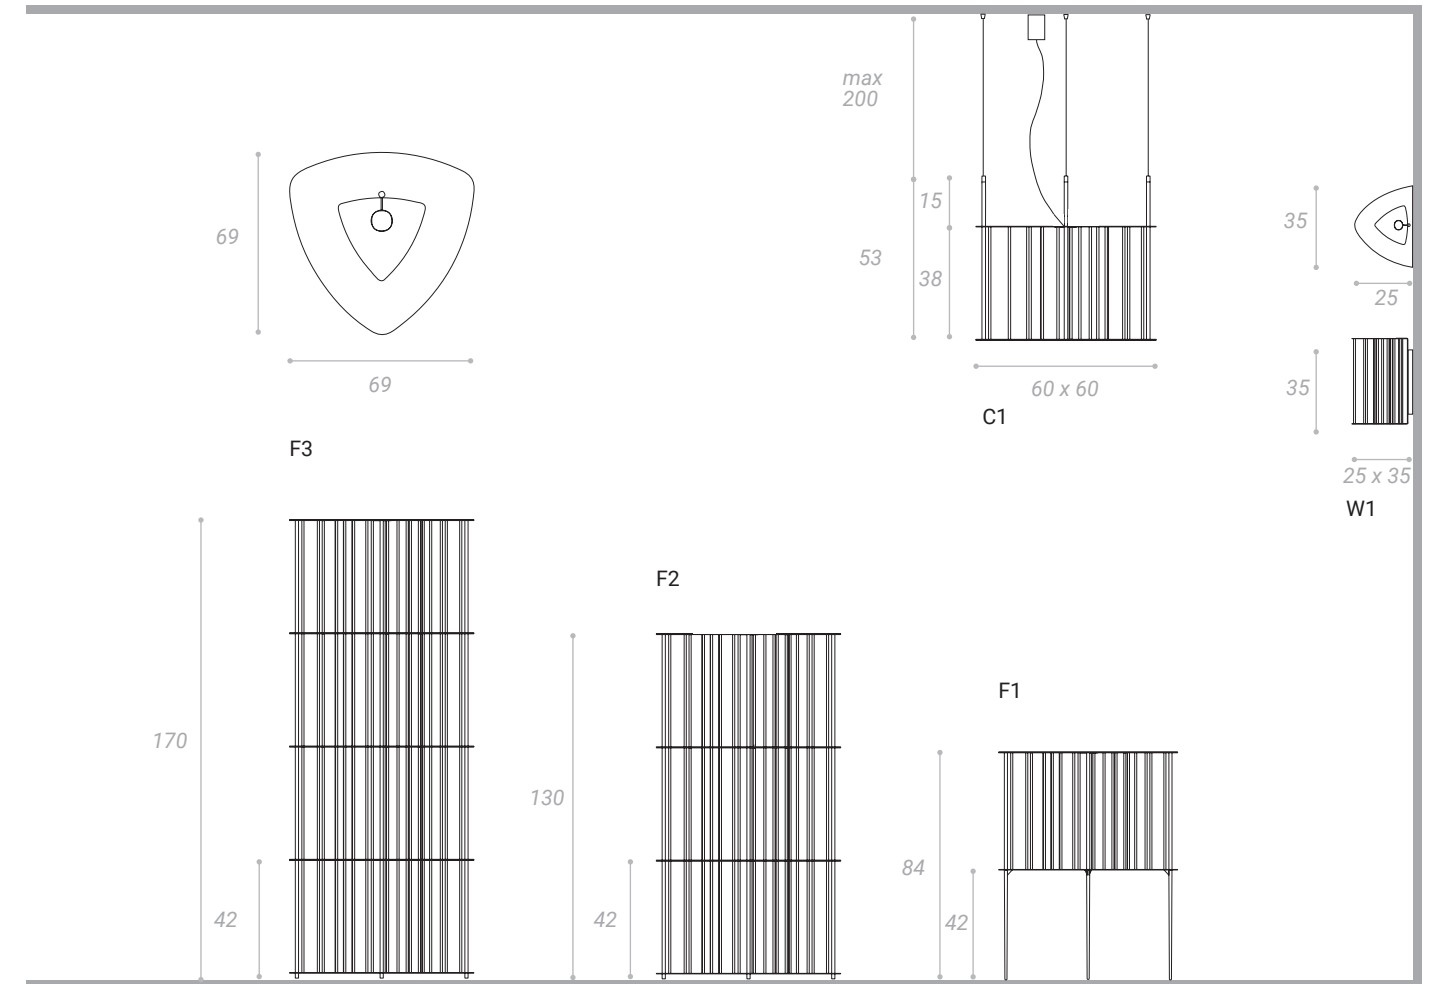

Collection that addresses the theme of "reading" in a new and functional way: the thin but sturdy metal structure, accessible at 360°, creates original luminous bookcases.
